throwing plastic!**

ABOUT SLURPY BEAR

Slurpy Bear is more than a brand – we're your companion in creating a home that's not just functional, but also environmentally conscious. We provide sustainable products that will help us all live in a greener, healthier planet!

TOO HUMID OR MOULDY AT HOME?

Check out Slurpy Bear's wide variety of dehumidifier products that will help to remove excess moisture in the air, preventing musty odour and mould growth!

4.5KG / 2.5kg REFILL

4.5kg refill (18 refills)
OR
2.5kg refill (10 refills)

For dehumidifier refill bag, choose anti-odour charcoal or other scents if preferred!

HANGING WARDROBE DEHUMIDIFIER

Fast absorption as water collects at the bottom in just a few days. Scents available!

REFILLABLE HANGING WARDROBE DEHUMIDIFIER

Fast absorption – liquid collects at the bottom in just a few days.

Caution: ONLY REFILL this with UNSCENTED original beads.

MOISTURE ABSORBER GEL PACK DEHUMIDIFIER

Turns into gel after moisture absorption. Scents available! Great for tight spaces.

Formaldehyde gas, known to increase cancer risk, is constantly emitted from carpentry, vinyl floor and paint in the first 1-2 years.

Slurpy Bear Formaldehyde Removal Gel converts formaldehyde into safer carbon dioxide and water. Perfect for post-renovation!

Check out other deodorisers below, such as Reusable Activated Charcoal Deodoriser, that is REUSABLE for long-term maintenance!

DEODRY PRO MAX

- 10 Formaldehyde Removal Gel Tubs
- 20 Activated Charcoal Bags
- 4.5kg Dehumidifier Refill
- 8 Clear LockBoxes (empty)

SUPER JUMBO 500G ACTIVATED CHARCOAL DEODORISER

REUSABLE as toxic gases can be released under sunlight for 3-5h every month. 500g is perfect for helmets, wardrobe, bathroom and car.

FORMALDEHYDE REMOVAL GEL TUB

Effectively converts post-renovation formaldehyde gas into safer carbon dioxide and water.

50G ACTIVATED CHARCOAL DEODORISER

REUSABLE as toxic gases release under sunlight. Perfect for shoes and tight spaces.

FRIDGE DEODORISER

Comes with suction cup for organising activated charcoal deodorisers in your fridge, shoe cabinets and more.

FOAM HAND SOAP REFILL TABLETS

Choose your scent, drop a Slurpy Bear refill tablet into 350ml warm water and watch it dissolve. Biodegradable packaging and space-saving!

FOREVER FOAM HAND SOAP BOTTLE

Say hello to your sink's new BFF! Get this if you need a foam pump soap bottle. It goes well with any home interior design!

DIGITAL HYGROMETER

Shows real-time data of your indoor temperature and humidity levels. When your humidity isn't ideal, it will trigger a sad facial expression.

LIMITED EDITION GROCERY BAG

Easy opening and lightweight to bring around - perfect for random shopping such as groceries, bread and more!
